

Resolution #103

A RESOLUTION FOR OFFSET OF UTILITY ACCOUNTS EXCEEDING THEIR PREVIOUS BILLING CYCLE USAGE AS A RESULT OF SUB-ZERO TEMPERATURES

WHEREAS, a State of Disaster Emergency Proclamation was declared for all Kansas counties and Federally Recognized Indian Tribes in Kansas on 14 February 2021, for low temperatures and sub-zero wind chills,

WHEREAS, residents in all communities were recommended to leave a slightly open faucet to prevent water lines from freezing and breaking,

WHEREAS, properties within the corporate limits of the City of Pawnee Rock are older and more likely to be impacted by such extreme cold temperatures,

WHEREAS, the City of Pawnee Rock desires to offset additional water usage for prevention of water line breakage.

NOW, THEREFORE BE IT RESOLVED the City Council of Pawnee Rock authorizes the adjustment to utility accounts for the February 2021 billing cycle that exceeded their January 2021 billing cycles water usage.

FURTHERMORE, only accounts with an increase in water usage over 1000 gallons from their January 2021 billing cycle will be adjusted.

ADOPTED this first day of March 2021.

Terry A. Mead, Mayor
